Subject: DuPont/Chemours Briefing paper

Please see the attached issue paper discussing DuPont's recent spin-off of The Chemours Company and an analysis of the potential impacts of the spin-off on facilities located in Region III. This paper was prepared in advance of a briefing with Shawn scheduled for Thursday afternoon.

Also attached is an excel document containing additional information on the CERCLA and RCRA sites discussed in the issue paper. Please note - there are two sheets in this document.

Please let me know if you have any questions on the attached documents.
